

## Sia Presses Buttons - 2007-08-01

Sia's video for her unreleased track 'Buttons' was leaked online last week after it was copied from the video director's showreel. Gaining attention both on and offline, including coverage on US celebrity blogger Perez Hilton's <http://www.perezhilton.com/> and in The London Paper, the video has now been viewed over 250,000 times and was the number 1 most linked and number 2 most viewed music video on YouTube last week.
