

Sia's North American Tour Success - 2007-10-30

Sia's North American tour is now underway and began with a sell-out show at the El Rey in Los Angeles. Sia is playing new tracks from her forthcoming album 'some people have REAL problems' throughout the tour, which visits twelve cities over three weeks and has already received excellent live reviews, including write-ups in both NME and Variety.

Sia's UK tour begins on 27th November. To read the full list of Sia's tour dates visit her website by clicking <http://www.siamusic.net>>here. For the full Variety review clickhttp://www.variety.com/review/VE1117935214.html?categoryid=34&cs=1.
