

## Hangman's Pipkin Takes MySpace by Storm - 2007-12-17

To celebrate the holiday season in Hangman style and as a thank you to their clients over the year, Hangman Studios created a short animation called "The Tale of Pipkin Puddyfoot".

MySpace liked it so much they requested to feature it exclusively on their homepage in the lead up to Christmas.

For more information regarding Pipkin, you can visit his video page by clicking <http://vids.myspace.com/index.cfm?fuseaction=vids.individual&videoid=23712250> here or visit Pipkin's MySpace by clicking <http://www.myspace.com/pipkinpuddyfoot> here
