

Winona's Debut Album, Rosebud - Released In UK - 2008-03-10

Craig Armstrong and Scott Fraser have produced a truly sublime album for their latest project, Winona. Below are some snippets of the fantastic reviews that Rosebud, their debut album, has received so far:

'With plenty of enchanting piano hooks and chords (Max), looping melodies (De Nada) and cosmic synths (Winona Falls) it's Armstrong at his best...'

4/5 Mixmag

'...haunting electro-orchestral backdrops to cavorting lovers, liars and losers... Need a new Sunday morning coming down track? Winona's your girl.'

4/5 Attitude
