

Passenger Release New Single - Table For One - 2008-03-10

Passenger's new single Table For One is one of the stand out tracks taken from their debut album, Wicked Man's Rest. The track has received great reviews including:

'Panty moistening balladeering... with heaps more style and intelligence'

NME

'If this doesn't attract the attention that Passenger surely so rightfully deserve, well, I might have to go out and buy a hat, ready for eating you understand'

Glasswerk.co.uk

'Vocalist Mike Rosenberg's distinctive vocals slice through the songs melody and form the emotional centerpiece of the track. The sweeping melody and the crashing guitars heighten the song and send shivers down your spine.'
