

Sia Set To Commence UK & Ireland Tour - 2008-04-02

Starting off in Glasgow's 'Oran Mor' this Friday 4th April, Sia is set to tour the UK and Ireland, supported by Har Mar Superstar, with a run of nine shows.

With London's KOKO having sold out back in January, and Manchester sold out too, tickets for the remaining dates are selling fast. Sia's enchanting shows were the talk of the town when she played North America recently, receiving fantastic reviews including:

'Playful, wistful Sia shines on and on' The Boston Globe

'Like a chocolate cake doused in rum, it's sweet, but packs a kick' Variety
