

## Craig Armstrong to release *Film Works* - 2005-09-09

An accompaniment to last year's sublime [http://iemusic.co.uk/artistes/craig\\_armstrong/watch/](http://iemusic.co.uk/artistes/craig_armstrong/watch/), Craig Armstrong's forthcoming album, *Film Works*, embodies many of his finest moments including award-winning arrangements from Baz Luhrmann's *Romeo and Juliet* and *Moulin Rouge* works pieces from *Ray*, *Love Actually*, *Plunkett and MacLeane*, *Cruel Intentions* and *The Bone Collector*.

The album closes with Craig's arrangement of *Clair de Lune* for the recent high profile Chanel No5 advert starring Nicole Kidman and directed by Craig's long time cohort, Baz Luhrmann.
