

Craig Armstrong releases Film Works - 2005-10-26

This week sees the release of Craig Armstrong's latest compilation, Film Works; a magical collection of music from films such as Romeo & Juliet, Moulin Rouge and Love Actually to name a few.

Released on, Family Recordings, a division of Universal, the 19-track collection is a follow up to the previous release, http://iemusic.co.uk/artistes/craig_armstrong/discography/CACDX3/.

The album has already had fantastic reviews:

'Not a dud moment... it's a truly essential buy for anyone who knows the Score.' *Empire*

'Crashing choirs from Romeo & Juliet, The Quiet American's desolate pianos, dank beats and chilling strings from The Negotiator, all shudder with eerie foreboding.' *Q Magazine*
