

## **Sia On Tour With Zero 7 - 2006-05-25**

Commencing tonight at Nottingham Rock City, Sia will be performing alongside Zero 7 to promote their May 22nd release, "The Garden".

From there the tour continues with a handful of dates in the UK and then heads over to France to support James Blunt on June 19th. The band then return to the UK on June 24th for London's Wireless festival in Hyde Park. Both Sia and the wonderful Jose Gonzales, the newest recruit into Zero's 7's collective, will be on stage at Wireless.

Then it's back to Europe for more dates before heading off for the stateside leg of the tour starting off at the Hollywood Bowl in California on August 27th.
