

## **Rudebox Makes its Debut at No 1 in 12 Countries - 2006-11-07**

Robbie's newest album, Rudebox, topped the album charts in twelve countries on October 29, 2006.

Rudebox is already a record-breaker: it's Robbie's eighth solo album number one, equalling David Bowie's record, only Elvis, as a male solo artist, has had more album chart-toppers.
